SALVATION ARMY GIVEN $120 TOWARD NEW BUILDING

Mass Meeting Held at South Methodist Church Yesterday Addressed by St. Joseph Lawyers.

At a mass meeting held yesterday afternoon at the South Methodist church $120 was raised to be applied in the building fund of a new Salvation army home in St. Joseph.

A large crowd attended the meeting which was in charge of Major P. Morton. Joseph. The principal address was made by Attorney L. C. Gabbert of St. Joseph, who spent some time as an overseas "Y" worker. His address had largely to do with his experiences in the fighting zone, his knowledge of the operations of the "Y" the army, Red Cross and other war organizations and incidents related his experience with the doughboy.

Mrs. Sara Roe Robinson also a leader from St. Joseph and a former captain in the Salvation army, gave a history of the organization, told of its work in this country and abroad and illustrated her talk with many incidents from actual life.

Mr. Harrison of St. Joseph sang several solos. The city of St. Joseph has given $35,000 toward the erection of such a building and a campaign is being made through northwest Missouri for securing the remainder which the Salvation army desires.

PEOPLE FROM OVER COUNTY AT CHRISTIAN CHURCH MEETING

Immense Crowd at Revival Service Last Night. Subject Tonight "Hand writing on the Heart."

People ffrom all over the country attended the revival services at the First Christian church last night, which began Sunday, Nov. 16, conducted by the pastor, Rev. R. E. Snodgrass. The pastor questioned to find out where the people came from and found they had driven from Stanberry, Wilcox, Bedison, Clyde, Palestine, Barnard, Clearmonth and other places. The interest was intense and there were forty eight conversions.

Prof. Kay who is in charge of the music sang effectively yesterday. At the morning service his solo was "Alone," fitting in with the sermon subject, "The Triumphant Ending of Jseus Life" and at the evening service he sang, "Jesus at the Door" in keeping with the sermon, "Knocking at the door."

The text of the sermon last night was Rev. 3: 20. "Behold I stand at the door and knock. If any man hear my voice and open the door, I will come into him and sup with and he with me." The pastor said:

"To me this is one of the most incredible statements to be found in the scriptures anywhere. To think that Jesus through all these years has been patiently standing at the door of your hearts seeking admission. I want you people who have kept him on the outside to know that you have sinned against him. You have joined the hoarse clamor of gnashing dogs crying crucify him, crucify him. You have picked up a sharp thorn, woven it into a crown of brambles and pressed it to his fevered temples until matted with his own clotted blood. You have watched his body writhe and wriggle and jerk and bleed, sat by in your scorning glee in your sinful haunts, plucked his dying words from his pale lips and vomited upon them the curse of hell. You have thrust your fist into his bleeding side and shook it defiantly into his riven side and yet in spite of this He has been standing in pools of his own blood, for five, ten twenty or more years knocking at your hearts door for admittance that he might bring you life. It is almost incredible."

The sermon subject tonight will be "The Handwriting on the Heart," and the service will begin promptly at 7:30 o'clock. Cottage prayer meetings will be held at 2:30 o'clock on Tuesday, Wednesday and Friday afternoons of this week. The men's prayer meeting will be held on these same days in the church at 10:30 in the morning.

PLAY FOR N.W.MO. FOOTBALL HONORS

CHAMPIONSHIP GAME TO BE PLAYED HERE THANKSGIVING DAY

LOCAL INTEREST INTENSE

Gallatin and Maryville Teams Practically tied in score with Undefeated Record.

Local interest is intense in the football game to be played on the State Teachers college gridiron Thanksgiving day by the Gallatin and Maryville high school teams to decide the championship of the northwest Missouri association. Both teams have been undefeated and are practically tied in score. Gallatin chalked up another game Friday afternoon with Maysville, winning by score of 19 to 7, making seven straight games. Maryville has won six straight victories and will make it seven Thursday.

Gallatin evidently has some "sacred feelings" over the approaching contest, which will be the hardest fought game of the conference. They have practically dictitated all the terms on which they would come here to play, demanding that all the officials connected with the game must be from outside of Maryville. This restriction bars even the State Teachers college. Coach Godfrieaux of Marshall will probably be selected. Superintendent J. M. McDonald wired Godfrieaux today asking if he would act. Gallatin is to be paid $200 for the game and the expenses of all officials are to be paid by Maryville. The Gallatin team and rooters will come on a special train arriving here at one o'clock Thursday. The records of the two teams so far are as follows:

Gallatin;
Gallatin 0 Stanberry 0
Gallatin 26 Fidder institute 0
Gallatin 26 Maysville 0
Gallatin 20 Trenton 6
Gallatin 53 Stanberry 6
Gallatin 40 Princeton 3
Gallatin 19 Maysville 7
Gallatin total 184
Opponents total 22
Maryville:
Maryville 7 Bethany 0
Maryville 38 King City 6
Maryville 68 Albany 0
Maryville 45 Bethany 6
Maryville 25 Savannah 0
Maryville 6 Tarkio 0
Maryville total 189
Opponents total 12

All the home rooters are expected to be there to lend the right support to the Maryville team The expenses of the game are heavy and the admission has been placed at fifty cents in order to help meet some of this expense.

UP TO GOVERNMENT FOR SETTLEMENT

BOTH MINERS AND OPERATORS TAKE DEFINITE STAND.

MUST FORCE AGREEMENT

State Troops Called out to Protect Workers Against Armed Bands Strikers.

Washington, Nov. 24.—A settlement of the coal controversy by force seemed certain today. With both coal miners and operators taking a stand against any further concessions and with all reports indicating there is suffering for lack of coal, Fuel Administrator Garfield and Attorney General Palmer decided to meet today to plan a course which the government will ollow in forcing an agreement.

The operators are awaiting the government's action to settle the wage dispute between the miners and operators. The wage scale committee met but only a few operators were present and they withdrew declaring "there was nothing to talk about" and that it was best to wait for the government to act. The miners remained in session discussing affairs of their own concern.

Richmond, Va., Nov 24.—State troops arrived in the coal fields of Lee and Wise counties where serious trouble broke out among the strikers. Armed band of strikers are reported to have threatened to fire on any miners attempting to return to work.

MISSOURI FOLKS Tell What They Know

St. Louis, Mo.:—"Dr. Pierce's medicines that I have had occasion to use have proved most beneficial. I have taken the 'Favorite Prescription for general weakness and when run-down and suffering with nervousness, and can truthfully say it has done me more good than any medicine I have ever taken.

"The 'Pleasant Pellets' are very good to regulate the system and aid very much in keeping a person in a good healthy state. —MRS. AMELIA THORN, 4204 John Ave.

What All Say

Jane, Mo.:—"I can never say enough in praise of Dr. Pierce's wonderful medicine. Twenty-eight years ago I was in very poor health, having taken the measles when my oldest child was one month old. My blood was out of order and I also had inflammation of the womanly organs and bladder. I doctored with the best doctor I knew of, but gradually grew worse till I wasn't able to do anything. I heard of Dr. Pierce's medicines, so got a bottle of 'Golden Medical Discovery' and one of 'Favorite Prescription' and I immediately commenced to improve. After taking three bottles of each I was able to do light housework and felt like a different person—a very small expense compared with what I had been paying the doctor. Since then I have used these medicines for myself and family, and find they are just as recommended."—MRS. CHAS. SHANKS, Jane, Mo.

Used In Family

Kansas City, Mo.:—"For a number of years Dr. Pierce's Pleasant Pellets have been the only purgative medicine I have used in my family. They are no trouble at all to take and will eventually cure the worst case of chronic constipation. I have also taken Dr. Pierce's Favorite Prescription when in need of a special tonic and it has never failed to give the desired relief." —MRS. MARY K. BOLT, 3111 E. 20th St.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "logy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life." —MRS. FRANK HINSON, 1215 S. Orchade St., Urbana, Ill.

Women who suffer from nervousness, "hot flashes," backache, headaches and "the blues" should try this famous root and herb remedy, Lydia E Pinkham's Vegetable Compound.

I was there to make a sketch of her. Luncheon was just over, and she was talking to a little knot of women. The first words I heard, as I slid quietly into a nearby seat, were "National Biscuit," recalling pleasantly my own tasty Uneeda Luncheon. I liked her, and fortably as she spoke about, my pencil, there are days when we had and ears busy.

"Between the dark and daylight," she was quoting, "there's always a bit of pause when everything seems waiting and listening—for the children. Since they were things, I've given that hour babies. First I had them Then, when they began to toddle, I took me in my no one Children

"You see, even little went on, "are much like animals. They are most lovable and most tractable after they've had something to eat. National Biscuit dainties always begin our Children's Hour like a feast. For the tiny toddlers there is a varied menu, sometimes Uneeda Biscuit and milk, sometimes Graham Crackers Oatmeal Crackers or Lunch Biscuit. This is changed on special occasions to Old Time Sugar Cookies or Fig Newtons and, rarest of ice cream and Nabiscos and those were our parties. "Don't [illegible] ready to up in [illegible] like [illegible] hour it seem [illegible] always dainty, always appetizing as only National Biscuit Products can be. During the years when my babies were growing up we never missed the Children's Hour with its tasty feast.

The original, inherent goodness of **Uneeda Biscuit** is due to the superior materials and methods employed in the baking. The everlasting table-goodness of **Uneeda Biscuit** is due to security of the In-er-seal trade mark package.

TO KEEP CUT FLOWERS

Cut off ends of stems before placing in water. Repeat this when ever water is changed—which should be at least every other day. Use only good fresh water for the keeping of all cut flowers. Keep flowers away from extreme heat and out of strong draughts. If these few simple rules are followed Engelmann's Fresh Cut Chrysanthemums will last about three weeks, Carnations about two weeks and other varieties of Engelmann's Fresh Cut Flowers accordingly.

Now Is a Good Time To Drive Out Catarrh

The Trouble Is in the Blood.

Summer catarrh, with its nose-and-throat discharge, stuffed up glands, difficult breathing, and sometimes colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter. That's why it is so important to treat catarrh now by S. S. S. during warm weather.

It is now an established fact that catarrh is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the root of the trouble. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Advisor about your case. Address Swift Specific Co., Dept. 34, Atlanta, Ga.
